Arborfield Local History Society

The society was founded in 2002. Our village is steeped in history and our society exists to make it known more widely.

We are keen to hear from anyone who has reminiscences of life in Arborfield, or who has old photographs that can be shared with others. We would love to see photos of buildings that have since been demolished or changed, of local characters

We welcome now members to our Society—no special knowledge required, just an interest in the area and its inhabitants past and present. We are a friendly group and visitors are also welcome to our meetings for a small fee per meeting.

We meet on the first Monday of the month (2nd Monday if a Bank Holiday) at Arborfield Village Hall, Eversley Road, Arborfield, RG2 9PZ at 7.45 pm. We have several trips out during the year and details of our varied and interesting programme can be found inside this leaflet.
